## Monthly Committee Reports

**Chair:** Tere V.

June 28, 2014

Thank you for allowing me to serve as your ASC Chair.

I am happy to announce that all but one ASC position is filled. I am excited to work with an amazing group of people to help this area grow in recovery. Thank you to everyone for your patience and understanding during our time of adjustment and transition.

As promised, an ad hoc committee will be formed to begin revising the NEWANA Guidelines. The committee will begin meeting in the next couple of weeks. Flyers and announcements will be made at home groups. Please contact me if you have any questions about this ad hoc committee.

As always, I am here to help in any way I can. Please let me know if you need any help or have any questions. GSR orientation takes place before every ASC at 9am in the same location as an ASC.

Please refer to the NEWANA ASC Schedule 2014 for information on times and locations of upcoming ASC's.

Thank you again.

**Literature:** Tana-Emailed Report and Inventory

It has been brought to my attention that the past Literature Chair had the literature available to sell to everyone all month long. My life is full and I do not have that availability. Literature will be sold at Area. You can send me orders via email and I will have it ready for you to pickup at Area. Or you can come to Area and I will fill the order there.

We conducted an inventory of all the literature. Present was Teri- Chair, Simona-Secretary, Chris M, Hilary and myself. Since we did not have access to the prior inventory, we decided to draw a line in the sand and start fresh from June 2014. The results of the inventory are on the second page.

During the inventory we discussed what the Literature Committee should have on hand at Area. It may take us a few months to get to the level of inventory listed below. We will use judgement in ordering, so we don't have large expenses. The idea here is that if our Literature drops below these numbers we would be ordering to have these on hand.

Greetings family!

I have nothing to report. I have sent two different emails to the region concerning website hosting and have not had a response. Looks like I am going to have to go stalker on the web servant and hunt him down.
